The weekend of November 9 and 10, the Knights of Columbus will be selling Christmas cards. Please look for us after Mass and support this worthy cause of keeping Christ in Christmas.

MARTYRS AS A SOURCE OF STRENGTH AND COURAGE

In times of doubt on our faith journey, calling to mind the lives of the martyrs can be a great source of strength. Just pick up a book on the lives of the saints or perform a search on any search engine for "martyrs" to read these accounts. In a country where we can sometimes take freedom of religious expression for granted, these stories can seem quite remote. Yet the martyrs' unwavering belief in what awaited them after their grueling deaths is a great example to us even today. As we look toward the conclusion of this liturgical year and as Advent beckons, let us be inspired by those who have gone before us in faith. And let the words of today's responsorial psalm become our own: "But I in justice shall behold your face; / on waking I shall be content in your presence" (Psalm 17:15). Copyright (c) J. S. THIS WEEK'S SECOND COLLECTION CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT AND CATHOLIC RELIEF SERVICES

This week our second collection with be a joint one to support both the Catholic Campaign for Human Development and Catholic Relief Services. Half of the collection will go to each project. The theme of this year's collection for the Campaign for Human Development is: "Defend Human Dignity. Take Poverty Off the Map." This annual national collection is the primary source of funding for CCHD's anti-poverty grants and education programs. These programs enable low-income people to join together to identify problems, make decisions and improve their communities. For over 40 years, CCHD has funded organizations that address the root causes of poverty, providing lasting solutions for the future. During the 2012-2013 grant cycle, the campaign gave out 214 grants in community and economic development, totaling more than $9 million. Of these grants, 178 went to community development and 36 went to economic development and job creation projects. Additionally, 10 grants were given in the category of technical assistance. Twenty-five percent of the proceeds from this collection stay in each diocese to fight poverty and foster liberty and justice at the local level.

The theme of the **Catholic Relief Services** Collection is "Jesus in Disguise: How will you help?" This year the focus continues to be on the family. The collection helps families by providing basic humanitarian aid and life-skills training to those in need, protecting poor families all over the world, advocating for policies that strengthen families abroad, and resettling and welcoming refugees forced from their homes
