PARKING LOT UPDATE

As part of the preparation work for opening the Multigenerational Center in the old Adult Day Care Building, the parking lot will be restriped on both sides of the PAC. This work is being funded by the McLean Foundation in support of the Multigenerational Center. Entrances and exits will be clearly marked to direct traffic flow. The date has not yet been set, but we hope to have this work completed before September.

For her part, the Church in the United States is called, in season and out of season, to proclaim a Gospel which not only proposes unchanging moral truths but proposes them precisely as the key to human happiness and social prospering (cf. *Gaudium et Spes*, 10). To the extent that some current cultural trends contain elements that would curtail the proclamation of these truths, whether constricting it within the limits of a merely scientific rationality, or suppressing it in the name of political power or majority rule, they represent a threat not just to Christian faith, but also to humanity itself and to the deepest truth about our being and ultimate vocation, our relationship to God.

LOST ROSARY

One of our parishioners has lost a rosary. The beads are green and it is in a green silk bag with a zipper. If you find it, please give it to Father after the Mass or drop it off at the office. It is special and its owner would be most appreciative to have it back. Thank you!
