A common root of pornography use is a need to have control in our lives, yet pornography produces sexual frustration and the desire to act out. So what we seek to achieve from pornography in the form of control ends up controlling and enslaving us. But the gift of sexuality is not meant to frustrate or enslave. It is meant to free us in a life-long relationship of complete giving to another. The commitment and mutual respect within marriage truly fosters this freedom. It is the only context that provides a safeguard for the expression of our sexuality to be a source of peace and joy in our lives.

ST. JOSEPH WOMEN'S SOCIETY

The St. Joseph Women's Society invite all women in the Parish to join us for our meeting, Tuesday, October 9 at 7 p.m. in the Youth Room. During this meeting we will be getting the Bakeless Bake Sale letters ready that are sent out every year. For those of you that are new in our Parish, a Bakeless Bake Sale means you do not have to bake anymore! You can just determine how much it would cost you to bake something and put that amount of money in the envelope provided. It is very easy and convenient. The money is used to buy whatever is needed for the Parish, such as flowers, linens, clean vestments and cleaning supplies. Your generosity is appreciated. Refreshments will be served by Barbara Johnson. Come and be part of this group. For more information, please contact Betty Freitas at 725-4040.
