Blessed John Paul II in his encyclical letter "The Gospel of Life" reminds us that 'when the sense of God is lost, there is also a tendency to lose the sense of man, of his dignity and his life' (no.21). If we wish to change the "culture of death" in our society we must restore God to the center of our lives. The power of the Gospel is to transform humanity from within and to make it new. Like the yeast which leavens the bread, the Gospel is meant to permeate all cultures and give them life from within so that they may express the full truth about the human person and about human life.

~ Most Rev. Kevin Farrell, Bishop of Dallas, homily at the Closing Mass for the 2013 National Prayer Vigil for Life, January 25, 2013

I have seen that there are many young people in the Square. There they are! To you I say: bring forward this certainty: the Lord is alive and he walks side by side with us in life. This is your mission! Bring forward this hope. Be anchored to this hope: this anchor that is in heaven; hold firm to the chain, be anchored and bring forward hope. You, witnesses of Jesus, bring forward the testimony that Jesus is alive and this will give us hope, it will give hope to this world that has somewhat grown old on account of the wars, evil, sin. Go forward, young people!

Pope Francis, General Audience, April 3, 2013
